Re: Development Application Referral # 3360-2020-06 - Royal Canadian Legion
Branch No. 140

Further to your Development Application Referral dated January 18, 2021, our board of directors considered this matter at a recent meeting.

"*Competition is healthy*" is a maxim embraced by most, if not all, entrepreneurs. Competition enables innovation and provides alternatives to customers while attracting more vitality to the surrounding area. Having a "Neighborhood Pub" in the downtown core can do nothing but strengthen those who provide like products and services.

Accordingly, The Sechelt & District Chamber of Commerce is pleased to confirm our support for the proposed the development.

We note the comment that subsequent referrals regarding parking may be forthcoming. As per our letter to you on June 4, 2020 (attached), we encourage the District to adopt innovative solutions to enhance parking capacity, safety and the enjoyment of the downtown core.

Sincerely
SECHELT & DISTRICT CHAMBER OF COMMERCE
